- Electrostatic application system
- Lightweight
- Covers 4,000 sq. ft.
- 75% less chemical*
- 75% faster application*
The most effective disinfectant sprayer in the world ... more coverage, less waste, better results. It works.

The EPIX360 is the most effective handheld disinfectant sprayer in the world. Built to work, this cordless electrostatic sprayer is powerful, durable, and provides breakthrough application performance – more coverage, less waste, and better results. Simply fill the 8-ounce tank with a safe EPA-approved water-soluble disinfectant, pull the trigger, and the EPIX360 goes to work laying down an even, uniform and wraparound layer of germ-killing power up to 4,000 ft². Plus, with the advanced EPIX technology, grounding is never an issue. And, unlike other electrostatic equipment, the EPIX360 works flawlessly and consistently, greatly improving transfer efficiency and avoiding shock and electrical hazards.
